Metta Mission & Community Ministry launches our very first wedding favors. Not only does the purchase of our wedding favors adds value to a memorable wedding for the newlyweds, it also supports the poor Cambodian ladies in making handmade soap.

Newlyweds can extend their love to the lives of the needy, creating an extra meaningful wedding. Metta soap provides training and job opportunities for the Cambodian ladies, allowing them to make a living and change their lives. The income, after deducting the costs, will be used to develop our services. Natural oils and materials are used in the soap production.

The glycerol produced during the saponification process can moisturize the skin.
